Whether directly or via third parties, neither Party shall propose to any person, or shall accept from any person, any offer, promise, donation, gift or benefit of any kind which would be linked to a misuse that would be made by that person, or that has already been made by that person, of his/her real or supposed influence with a view to obtaining, for itself or for others, a distinction, a job, a contract or any other favourable decision. Neither Party shall solicit or accept for itself any offer, promise, donation, gift or benefit of any kind, for the purpose of misusing its influence with a view to making or obtaining any favourable decision.
